The Super Penthouse R1 is a magnificent architectural masterpiece that perfectly embodies the impeccable fusion of luxury and elegance, in addition to demonstrating remarkable craftsmanship and quality finishes

Penthouse R1 at Raffles The Palm Dubai Residences is spread across three levels and the rooftop of the property, The 77,707 square feet & it is designed in collaboration with Yodezeen, the world-renowned design company.

The eight-bedroom property includes its own indoor and outdoor cinema, gym and basketball court, as well 10 car parking

It has a spa and wellness area that includes a cryogenic room, an outdoor swimming pool, a bar and barbecue area, a mini golf course in a meditation garden, a cigar lounge and a bar offering 360-degree views of the Arabian Gulf.

It also comes with a private lift and has a dining room with a Teppanyaki kitchen.
